SUMMARY

Business Development Executive with 3+ years of experience driving B2B growth for AI, SaaS, and technology companies across US and UK markets. Specialised in outbound sales, lead generation, account-based selling, and AI-driven outreach automation. Proven experience managing full sales cycles — prospecting, discovery calls, proposal creation, and pipeline management. Strong communicator with CXO-level buyers in Healthcare, E-Commerce, FinTech, Construction, and Manufacturing.

EXPERIENCE

- Business Development Executive**
NeuraMonks | Ahmedabad, India

Jun 2025 – Present

 - Managed end-to-end outbound sales: ICP research, lead qualification, discovery calls, proposal development, and pipeline management.
 - Built AI-powered outreach workflows using LLMs and automation agents, cutting manual prospecting effort while improving personalisation at scale.
 - Generated qualified opportunities across LinkedIn, email campaigns, Upwork, Guru, and PeoplePerHour.
 - Created proposals, SOWs, pitch decks, and case studies for CXO-level buyers across Healthcare, E-Commerce, Manufacturing, Construction, and FinTech.
 - Executed ABM and ABS strategies targeting US and UK markets.
 - Leveraged LinkedIn Sales Navigator, Apollo, Lusha, GetProspect, HubSpot, and Mailchimp for lead enrichment and outreach.
- Business Development Executive**
ManekTech | Ahmedabad, India

Jan 2025 – May 2025

 - Conducted competitor analysis and market research to identify positioning opportunities.
 - Generated B2B leads through targeted LinkedIn prospecting and email outreach campaigns.
 - Built and maintained strategic B2B partnerships to expand market reach.
 - Assisted in proposal creation, client communication, and deal closure coordination.
- Business Development Executive**
Rock Technolabs | Ahmedabad, India

Jul 2022 – Dec 2024

 - Identified and developed new business opportunities through outbound prospecting and market research.
 - Managed complete sales pipeline from lead generation to client relationship management.
 - Built long-term B2B relationships and strategic partnerships contributing to repeat business.
 - Maintained CRM databases and optimised prospecting workflows; assisted in negotiations and client onboarding.
- Business Development Intern**
Skyward Organisation | Ahmedabad, India

Mar 2022 – Jul 2022

 - Supported customer acquisition campaigns, brand awareness activities, and sales analysis in a startup environment.
 - Contributed to lead generation and client communication efforts.

EDUCATION

- Bachelor of Engineering**
GEC Patan | Patan, India

2022
